

# Partnerships & Integrations

While all libraries should serve as the hub of school resources, not all libraries and patrons are equal! You understand the needs of your students and patrons better than anyone, and Alexandria provides a “One-Size-Fits-Me” solution. Our partnerships with the best-in-class library solution providers, give you the freedom to choose which resources are going to serve your students best, providing you that “One-Size-Fits-Me” integrated library system!

## EBOOK SUBSCRIPTIONS

As all students aren't created equal, libraries need to have the flexibility to support and provide resources to fill their unique patrons needs. This is why we have partnered with the best in class library solution providers who share the same mission of promoting library advocacy, while allowing you to build and deliver a true one-size-fits-me library experience.
