YOUR LIBRARY WITHOUT LIMITS

Alexandria[®]

Library Advocacy is Student Success!

- Equitable Access
- Engagement & Discoverability
- Partnership & Integrations
- Adoption & Success

At COMPanion (Alexandria Library Software), library advocacy is very important to us.

We support the Library Bill of Rights, and understand that advocating for student privacy is one of the core values of our profession. We will continue working with librarians to ensure our products reflect our support for intellectual freedom and student privacy.
