

K-12 Content Discovery Search Engine

**Welcomes the web's most credible and diverse sources of news, research, data, and insights.**

**Sooth.fyi**

The only platform with  **NewsGuard Reliability Ratings** and  **AllSides Media Bias Ratings** so students know the integrity and bias of content.

Sooth's human-curated search index comprises billions of pages of the internet's best sources of knowledge that cannot be found in academic databases. Sooth is also the only platform with a misinformation toolkit, empowering students and educators to vet, fight, and explore the origins of misinformation in an environment designed to cultivate critical thinking and information literacy. Sooth's premium news partnerships ensures students can access rich content in critical moments of learning and discovery.
